For qualified customers, Blue Ridge Mountain Woodcrafts will prepay the freight on two "stocking orders" each month. A stocking order is defined as a non-emergency order for stock replenishment shipped via standard UPS Ground or Truck delivery. Product must be purchased at normal published catalog prices and stocking orders must be comprised of AT LEAST 50% WOOD PRODUCTS. Free freight does not apply to orders that are custom made or that receive non-published volume pricing. Back-ordered product from Free Freight stocking orders will be shipped at your expense when they become available or can be shipped with your next Free Freight order. Orders shipped UPS will have a \$3.50 handling fee applied. Orders shipped via Truck will have a \$4.50 handling fee applied. Blind Drop Ship orders are not eligible for Free Freight Program.

Stocking orders may be placed anytime during the month. Free freight eligibility for an order must be determined when the order is placed. Please ask your sales representative for free freight confirmation. Some "single category" orders may not qualify. We will not change the payment status or issue credits for orders that have been shipped without prior free freight approval. Past due accounts are NOT eligible for Free Freight until they are paid current.

COD, residential delivery, lift gate, fuel surcharge, and other special handling or extraordinary charges will not be paid by Blue Ridge Mountain Woodcrafts. Any additional charges discovered after shipment will be invoiced to you. We have negotiated excellent rates with UPS and a number of major truck carriers and reserve the right to ship all free freight orders using our least cost option. Orders that are expedited freight collect will receive shipping priority over stocking orders. If you specify a carrier other than our least cost carrier, you will be invoiced for the cost difference. All shipments originate from Ellijay, Georgia unless otherwise specified.

Orders to the New York City Metro Area are only eligible for Half Freight shipping to zip codes starting with the following numbers: New York City/Long Island 100-119, & New Jersey Metro 070-079. Other areas of New York state are subject to the guidelines listed above.
